Skills & Abilities

MANAGEMENT

- I had developed jobbing desk from zero to hundred jobbers with in one year and managed with my skills of Communication, Planning, Technical and problem-solving skills. Worked as a join Director of the firm and run it successfully.

COMMUNICATION

- I am very good at communication, I had worked in Financial Technologies LTD for 7 years as a System Support Executive and from handling new beginners broker in market to king size brokers in the market like Angel Broking (Gujarat, Rajasthan & MP), Kunvarji Broking, Jainam Shares etc. successfully. All are satisfied with my writing, Presenting, Speaking and giving feedback skills.

LEADERSHIP

- As a Leader I had handled Team of hundred satisfied Jobbers, and currently handling team at Saral Information Technology as a Head RMS Team.

Experience

SUPPORT EXECUTIVE | FINANCIAL TECHNOLOGIES | JANUARY 2004 TO MARCH 2010

- Joined as a software support and provided software support for huge number of FT products like ODIN, Protector, E-Hastakshar, Net.Net and many more. Provided Brokers training of software as well as troubleshooting of both software and technical.

HEAD IT & BUSINESS DEVELOPMENT | MNCL | JUNE 2010 TO MARCH 2012

- Started Jobbing & Arbitrage setup with MCML with best technical support to traders and within no time achieved highest number of trades (Jobbers & Arbitrators) working under me. Also given Sub-Brokers software support & training of different kind of trading software, then Monarch Group takeover this growing setup.

BRANCH HEAD | MNCL GROUP | APRIL 2012 TO DEC 2018

- Handling technical Trading setup of MNCL Ahmedabad, from bottom to top level. Key responsibility of developing business through technical trading setup from Jobbing and Arbitrage as well as Delta trading. Also looking after IT-Infrastructure, Software & Risk Management of setup. Also provided training regarding Technical Trading.

HEAD RMS | SARAL INFORMATION TECHNOLOGIES | OCTOBER 2022 TILL DATE

- I had tried to setup my own business for 3 years but due to COVID-19 period I couldn't able to run it so far and started doing job again at Saral Information Technology as a Head RMS and successfully handling 60 of brokers for supporting them in technical and rms related queries.
