Mobile No.: +91-9029677035 / +91-7875058760

### Profile Summary:

**2015:- B.Tech in Paint Technology from UDCT, Jalgaon.**

**2012:- Diploma in Surface Coating Technology from TIP, Pune.**

Senior Professional, offering 7 years of extensive experience in paint shop production Process Management & operations in plastic and metal line.

Being from a Two-Wheeler Company background I had to work mainly with many Child parts production, which has had challenges with complex hanger factors and combination requirements to meet production needs & used many painting system (PU & TSA- paints) with Mono-coat and dual coat paint application methods.

I have Successfully **saved company up to 40% on Cost by reducing paint wastage overspray during application** by reducing hanger factor in SPC line.

### Core Competencies:

Production Management	Lean Manufacturing	Shop Floor Operations & Skill Mapping
Data Analytics	Total Productive Maintenance(TPM)	Safety Audits & 5S Implementation
Robotic Painting Management	Technical Team Training and Development (E& T)	Time Management
Problem-Solving	Paint quality and controlling paint application defects (QC)	Kaizens

### IT skills:

- Microsoft Office (Word, Excel & PowerPoint)
- SAP-MM

### Extracurricular activities:

- Participated and presented poster on “UV Curable Powder Coatings” in National Conference on Emerging Trends in Oleochemicals & Ecofriendly coating technologies (ETOECT-2013) at UICT, NMU, JALGAON.
- Participated in 11th International symposium on surface protective coating (SSPC India 2014) at Ahmedabad.
- State level swimming champion and championship in RLSS (Rashtriya Life Saving Society) conducted by BEG.

## Career details and organizational experience:

- **Since July 2015 – 2020:-** Executive, **2020 – 2022:-** Sr Executive, 2022-2023 :- Asst Manager & **Till Date: Honda Motorcycle and Scooters India, Vithlapur, Ahmedabad**  
As Manager Paint Shop process
- **2014:-** 6 months industrial training at “BASF Coatings Mangalore in R&D” (INDIA).  
Surathkal, Mangalore. During B. Tech  
(Project:- To Develop Pure acrylic Basecoats for Two Wheelers)
- **2012:-** 6 months industrial training at “Mahindra Vehicles Manufacturers” (INDIA). Chakan Pune.  
During the “Diploma in Surface Coating Technology”.  
(Project:- To Optimize the New Model In 45 JPH Paint Shop)
- **2010:-** 6 months industrial training at “KWALITY PAINTS & Coatings Pvt. Ltd” (INDIA). Bhosari Pune. During the “Diploma in Surface Coating Technology”.

## Key result areas:

- Looking after Over All Paint shop activity and processes related to Sheet metal & ACED line.
- Controlling process parameters of PT ED line to ensure quality and delivery for Assembly line.
- Responsible for ensuring smooth operations in shift by trouble shooting & fixing problem, also maintaining the optimum operating parameter of plant in shift to obtain painted SPC parts up to the desired Quality Standard.
- Working towards Lean productivity and quality assurance through Kaizen activities, Kan-ban and PDCA cycle
- Co-ordination with final assembly regarding quality issues & Plan compliances.
- Monitoring breakdowns & compiling data to analyze equipment & manpower matrix.
- Responsible for monthly production planning as per PPC requirement & reconciliation & inventory
- Managing the entire shop floor distribution of work load to operators, utilization of manpower accurately, & organizing daily work management at shop floor using lean operations systems
- Daily production target achievement (SPR%), troubleshooting and solving technical problems (defect analysis) to reduce rejection Further planning PDCA.
- Ensuring proper 5s of shop floor by Planning activities with associates and development of 5s leaders
- Safety practices setup according to safety standards of OSHMS; organized safety circles in department

## Personal Details:

- Date of birth: - 17/04/1991.
- Languages Known: - Marathi Hindi English.
- Temp Address: - Gala Haven Vaishnodevi Circle SG Highway Ahmedabad 382481.
- Permanent Address: - Bhalchandra 18/2 Ideal Colony Paud Road Kothrud Pune 411038.
