

MAYUR BHARATBHAI PIPALIYA

Email Id: - mbpipaliya1989@gmail.com

- 9737998873, 9408875894

F-501, Kalptaru Residency, Opp. Omkar Residency,
Near Nirant Cross Road, Vastral, Ahmadabad Mob:
Gujarat. – 382418.

Objective:

To utilize my ability for the improvement of technical knowledge in this chemical engineering field and contributing positively towards the existing operations and future projects of the firm, and in the process improving the productivity of the organization & want to become good, successful Engineer.

Educational Qualifications:

- STD: 10 (2006) S.S.C Board from Gujarat Secondary and Higher Secondary Board, Gandhinagar-Gujarat.
- Diploma Engineering in Chemical with 7.74CPI from Government Polytechnic – Gandhinagar, affiliated to Gujarat Technological University & AICTE.(2011)
- B.E in Chemical Engineering with 6.85 CGPA from L.D.College of Engineering. - Ahmadabad affiliated to Gujarat Technological University & AICTE. (2014).

EXAMINATION	BOARD\UNIVERSITY	YEAR	PERCENTAGE
SSC	GSEB, Gandhinagar	Mar-2006	75.57
Diploma In Chemical Engineering	GTU, Ahmadabad	June-2011	7.74(CPI)
B.E In Chemical Engineering	GTU, Ahmadabad	June-2014	6.85(CGPA)

Personal Information:-

Father's Name	:	PIPALIYA BHARATBHAI VALLABH BHAI
Date of Birth	:	25 th May 1988
Gender	:	Male
Citizenship	:	Indian
Language known	:	Gujarati, Hindi, English
Marital Status	:	Single
Hobbies	:	Bike Riding, Movies, Travelling, , Driving Cars

Area of Interest:

Interest to work in Operations & Processes and Designing & project management and co-ordination.

Work Experience:

Having Strong 8 Years of Experience in Field of Chemicals, Adhesives & Process Engineering in Various Industries like as per below,

Currently Working with **M/s.Fosroc Chemicals India Pvt.Ltd** – Ankleshwar, Gujarat from April-2022 to Present as production Supervisor, Taking care of production process of Construction Chemicals and Adhesives with following responsibilities,

- Monitoring and supervision of Manufacturing Construction Chemical and Adhesives as per Batch plan.
- To supervise, plan, schedule and control operation activities to achieve target various activities coordination with service departments & optimize process.
- Examine the causes of Abnormalities with why why analysis in process & Taking corrective actions accordingly.
- Ensure safe work procedure and condition to Reduce Accident, safety work permit system follow and regular follow-up taken.
- Process Calculations, Developing SOP for Complete Process & Training on Process Improvement on site.
- Planning for better productivity, quality and utilization of manpower.
- Provide Technical support to maintain safe, stable and reliable operations & engineering support for chemical operations and equipment.
- Preparation of Batch Reports, Production Plan in Microsoft DAX software.

Worked at **M/s.Resinova Chemie Ltd. (Astral Adhesives ltd. (Astral pipes group))**, Santej, Gandhinagar, Gujarat as Production Officer. In which handle various adhesives manufacturing processes like silicon cure sealant, epoxy base adhesives, etc. Oct 2016 to March-2022 In which following responsibilities are:

- As Sr.production officer monitoring and supervision the various grades of resins & hardeners manufacturing as per schedule and maximize utilization of reactors.
- Having experience in manufacturing of Epoxy based adhesives, Solvents based adhesives, PVA based polymer and adhesives, RTV Silicon based adhesives.
- Having experience in Polymerization of VAM & PVA based adhesives.
- Conduct improvement manufacturing processes of various grades of PVA polymers based adhesives.
- Monitor performance of processes throughout production
- Evaluate equipment and processes to ensure compliance with safety and environmental regulations
- Control the various utilities like Steam, chilled water, cooling water, thermic oil etc.
- Coordinating in DCS installation Project in the plant.
- Having Experience and working with SAP System daily production entry.

Worked at **Pranav Chemicals** Naroda GIDC, Ahmedabad, Gujarat as Process Engineer. In which experience of Sulphonation Process, Batch Operations, Crystallization, Trouble shooting, etc. Also Coordination in New Plant Project Handling, Installation & Commissioning, Execution and Evaluation, etc...

Worked at **Technology Exchange Services Pvt. Ltd.** Vatva, Ahmadabad, Gujarat. As Chemical Engineer since 16th December 2014. Also included following responsibilities in the Job Profile as Production,

Testing, Calculation, Manual Preparing, Demonstration also having experience in various instruments and Controller like PID, Level controller, Level Transmitter, Various Types of Temperature Sensor, Temperature Indicator, PLC-SCADA Based Operating System of Distillation, etc.

Worked at ***Dishman Pharmaceuticals & Chemicals Ltd.*** As Production Engineer for 4 months in which Batch Operation, Various Unit Processes, Process Calculation, and Coordination in Design of Heat Exchanger for Triple Effect Evaporator for the ETP Plant, also trouble shooting in Batch Process problem, also experience in GMP Plant Process and Online BMR Maintain Records, Good House Keeping.

Declaration:

I hereby declare that above mentioned details completely true up to my knowledge and I bear the complete responsibility for above mentioned particulars.
