"Customer satisfaction is not enough, we shall strive for his appreciation." With this belief, I am a Go-Getter & Result Oriented manager, with strong belief in 'Plan the work, work to the plan.'

I believe 'application of mind & use of common sense' are the best tools to achieve the goals. I have hands on skills for managing different aspects of building construction & engineering.

Accomplishments:

1. **Gulmohar Park Mall**, in Ahmedabad
2. **Centers' Square Mall**, Baroda
3. Seismic Retrofitting of '**Mirzapur Court**' & 'Shram Bhavan' in Ahmedabad
4. Shell work of large textile market with a floor plate of more than 1 lac sq.ft.
5. R & D Center for 'Zydus' at Dabhasa near Baroda.
6. Township with 1184 dwellings - '**Vardhman Nagar**' at Bhuj, Kutch from scratch to execution including statutory approvals, water supply & sanitation, etc. in very challenging conditions with a consulting firm
7. Restoration of corrosion damages to a few high rise buildings in Mumbai.
8. Structural Assessment & Seismic Retrofitting to 27 buildings in Gujarat after earth quake of 2001 in Kutch.

Professional Experience:

I had a privilege & honor of extensive working on Engineering, Planning, & Construction with esteemed organizations like:

1. Suyog Infra (India) Pvt. Ltd.

Construction of textile market, R&D Center, Manufacturing Facility,
Major Earthwork for Clients like Zydus, Ford, etc.

2. K Raheja Corps, at Baroda

3. Future Capital Holdings Ltd.

EPC of Shopping Malls at Ahmedabad, Baroda, & Raipur (C.G.)

4. Sunderland Developers Pvt. Ltd.

Construction of Pharmaceutical Manufacturing Units, Restoration of
corrosion damaged high-rise buildings, etc.

5. Epicons Consultants Pvt. Ltd.

Seismic Retrofitting & Town Planning

6. Shilp Construction Co.

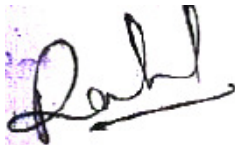

Conventional construction contracts of MES, TIFR, etc.
