Objective

I seek challenging opportunities where I can fully use my skills for the success of the organization.

Experience

- Quirino memorial hospital,philippines** 1,july,2020 - 31,july,2021
Clinical Clerkship
It was great experience over there resident teach very well clinical history to their clerks doc and give better exposure to the speciality cases. History taking and physical examination have very important role in clinical area and I'm happy to share this that we had enough exposure to handle particular level of patient and emergency.
- M.P.SHAH MEDICAL COLLEGE, JAMNAGAR** 1,april,2022 - 30,april,2023
Internship

Education

- AMA SCHOOL OF MEDICINE** 2016 - 2021
Doctor of medicine (Equivalent to M.B.B.S)
2.5/5.0
- AMA UNIVERSITY** 2016 - 2017
Bachelor in psychology
2.75/5.0
- GOVERNMENT SCHOOL OF NURSING, MEHSANA** 2012-2016
General nursing and midwifery
3.0/5.0

Skills

- Acquired very effective clinical skill in history taking and physical examination.
- Maintained accurate medical records and documented patient case history in detail and prepared computerized discharge summary.
- Rapidly assessed and responded to variety of medical emergencies.
- Well versed with procedures like CPR, foley's catheterization in acute medical care.
- Performed various bedside procedures like Ryle's tube aspiration, intravenous cannulation, nebulization, blood transfusion and assisted various bedside procedures.

Projects

- A experimental study on the how temperature affect on short term memory among the students of AMA SCHOOL OF MEDICINE.
