In quest of Middle level assignments in **Manufacturing/ Testing/ Automation** with a company.

Summary

- ❖ A result oriented professional with nearly 6 months of professional experience in **Panels Company**.
- ❖ Currently associated with **Alpha tech automation** for training purpose.
- ❖ Skilled in core subjects & coordinating the training, professional development.
- ❖ I have done a project for the college students to gain knowledge about it.

Experience

August 1 2022 to Now continues	Alpha tech automation	Training purpose
Jan 1 st to July 15 th 2022	NASA TECHNOLOGY, VATVA	Control panel Manufacturing and testing

Key Deliverables:

- ☞ Monitoring operational of plants and suggesting improvement system wherever necessary.
- ☞ Developing procedures and service standards for business excellence.
- ☞ Monitoring process to ensure operational efficiency in best interests of company.
- ☞ In training manage the panels project and also programming in the Allen barely PLC to achieve our goals in programming.

Career Milestones

- ☞ Mentored as project leader in PDP University in Gandhinagar.
- ☞ Project related to student startup innovation policy has been selected to the national level of India.

Trainings Undergone/done

- ☞ Underwent trainings on:

AUTOMATION:- I have trained in alpha tech automation for gain knowledge about PLC programming ,SCADA software.

Course name: - Post graduation diploma in Industrial Automation

Project completed :- Traffic light by timers and counters, communication with SCADA to excel, Communication with PLC to SCADA, Communication with PLC to PC by Ethernet cable, Communication Drives and HMI.

Academic

- ☞ **2018-2022** B.E. (Electrical) from The Government Engineering collage, Modasa, Gujarat-India. With 7.82 CGPA.
- ☞ **2017-2018** I have passed class 12th in science stream with 59%.
- ☞ **2015-2016** I have passed class 10th with 77%.

Skills

- ☞ Microsoft Word, Excel, Power point, Internet Surfing
- ☞ PLC (Allen Bradley, Siemens) SCADA In touch Wonderware knowledge about Panel wiring. DOL circuit wiring, Relay logic wiring, HMI Design in DOPSoft delta software.

Personal detail

Address: 3/217 AL Aman Society, In Beral Market Danilimda Ahmedabad
Linguistic Abilities: English, Gujarati, Hindi & Urdu.
Hobbies: Sports, Travelling
