Strategic  
Planning &  
Leadership

Quality  
Management  
System

Project  
Management

Machine  
Operations

Plant Level  
PQCDSM

New Systems  
Implementation

Measurement  
methodology

Risk Mitigation  
& Management

Process &  
Product Audits

Team Building  
& Leadership

## Soft Skills

## Career Timeline

Sep'11-May'15  
Posco Poganamp  
electronic pvt ltd  
(Korean JV MNC)

Since April'17  
Highly electrical  
appliance India  
pvt Ltd.(Chinese  
MNC)

Jun'15-March'17  
C M Smith Ltd.  
(Indian MNC)

## Organizational Experience:-

Since April'17 with Highly Electrical Appliance India pvt Ltd. As Senior Executive–Quality Assurance

### Key Result Areas:

- Spearheaded the end to end strategic planning & leadership, quality management & improvement, cost optimization, new product development, process efficiency enhancement, audit, quality assurance & control, project management, supplier development & management, resource management, training & development and people management.
- Ensuring seamless coordination of system & process audit with CAPA closer.  
Monitor PQCDSM performance & identifying the involved gaps: overcoming those gaps by taking necessary actions.
- Supervising the supplier development and improvement, monitoring the implementation if CAPA at supplier end.
- Ensuring seamless executing if internal audit to sustain if certification.

- Ensuring availability of required manpower to attain the set production target as per the standard timing of process
- Developing quality plan deliverables in collaboration with business teams, driving completion of actions assigned to QA and following up with business on QP deliverables
- Devising ways to improve the manufacturing process to ensure higher-quality products
- Improving and reviewing new specifications and procedures for products or processes, and training staff to use them
- Overseeing product development procedures to identify any deviations from quality standards
- Inspecting the final output, comparing it to the requirements, and approving or rejecting the final products
- Analyzing the processes & identifying the methods to improve the services in enhancing the efficiency and Quality; authoring, reviewing & approving process revisions
- Encouraging the quality culture through creative innovative ideas and campaigning
- Developing competency among the team members; managing the appraisal process across the levels; conducting interviews to recruit the right talent & resources

#### Highlights:

Executed multiple Quality Improvement Projects which resulted cost saving oriented.

Implemented 5S, Kaizen, 7Qc Tools, FMEA, QMS system.

Established quality Culture in plant

Deployed QRQC for quality issue at Plant level

June'15-March'17 with C M Smith Ltd. as Executive Engineer - Quality Assurance.

#### Highlights:

- Deployed RCCA within the process which assisted in resolving numerous customer complaints
- Define and procurement of gauge and dowel and maintain minimum stock level.
- Established Internal and external calibration plan and approval through NABL scope.
- NPD activity:-planning, procurement, sample development & approval including machine availability, tool design and selection, drawing study, prepare PPAP document, fixture and gauge design & development, Joint inspection till sample approval with customer end.
- SPC and MSA –Monitoring and plan activities.
- Make plan wise Product and layout inspection report.
- Implemented QMS (IATF 16949) system & monitored its adherence

#### Previous Experience

Sep'11-May'15 with Posco Poganamp Nagarsheth powertronics Pvt Ltd. as Junior Engineer- Quality Department)

*Carried out quality as per the set plan; ensured online inspection of Press Shop, Die casting, Notching(stator & rotor lamination) as per requirement; managed QMS the New Project Development of new stamping product; in-depth knowledge of the stamping & Die cast process*

#### Projects Undertaken & Other Engagements

- Executed a Six Sigma Green Belt Project/Year (Saved 2-4 Lakhs per year)
- Completed 4 Internal Audits per year of ISO 9001:2015 System
- Minimized PPM Rejection from 13k to 6K using different quality tools
- Reduced the department expense by 50% through different quality tools and Measurement method.

#### Trainings Attended

Six Sigma Green Belt training by Simply learn

ISO 9001:2015 internal auditor training by SVCPL

7 QC Tools – Plant level

PSTT (PROBLEM SOLVING Tools and Techniques- Japanese Tool

Auto cad 2011(Cover 2D & 3D engineering drawing)

MSA by Percipio

SPC by Percipio

PFMEA

#### Certifications

- Internal Auditor (ISO/ IATF 16949:2015)(QMS)
- Internal Auditor (ISO 9001:2015) (QMS)

#### Academic Details

- B.E. (Mechanical) from Gujarat University in 2011

#### Personal Details

- Date of Birth: 22<sup>th</sup> June 1990
- Languages Known: English, Hindi and Gujarati
- Location: Ahmedabad, Gujarat

#### IT Skills

- MS Windows & Office and Internet Applications
- Expertise in Microsoft Excel
