About ME

Hello There! I design, illustrate, and draw as well. I always try different fields of art that helped me to gain various aspects of designing. I also draw and illustrate my inspirations from my imagination, visualization, observation, and everyday life. I'm always lookout for a new designing experience. that's why I don't consider my design competed until I'm not satisfied with my design.

Education

- H.S.C.
- Jetking Certified (JCHNP)
- Arena Animation (P&P)

Experience

Vistaprint Technologies Pvt. Ltd. [2015 to present]

- Recreating or edits the product design as per the customer's requirement, and send it to the production house for final print. Also recreations of Logo designs, Visiting card, Birthday/Marriage invitation card, Post card, Name card, Car magnets, Label, Banner-poster, Brochure, Flyer and Stickers.
- Also, I was a part of Design Quality Team where They work to find the insights of design quality challenges in order to find the solution through callibrations and live support to enhance the quality of designs provided to customer. Also, I was a part of a Employee Engagement Activity Group where we do fun and learning activity to Engage Employee so they can Encourage knowledge sharing in a creative way and provide learning opportunities.
