Presently I am retired as Senior Manager Denim Processing from the Arvind Limited.d.

EXPERIENCE:

EXPERIENCE:-

1) THE ARVIND MILLS LIMITED : October 1990 to December 2022

With the Arvind Mills Ltd. I had worked at various levels from Manufacturing officer to current Senior Manager Manufacturing for its Denim fabric manufacturing units Denim processing , Santej near Ahmedabad. At current level of Senior Manager Manufacturing of Dyeing –sizing and finishing department , I hold and perform following activities and responsibilities.

- I am heading dyeing –sizing (Jupiter mcs) and Finishing (Yamuna mc) department. ▪ I am directly reporting to Unit head.
- To take effective production from warping,dyeing-sizing and finishing machines with
- Quality assurance.
- I have rich experience of Denim Warping and Dyeing-sizing of various styles on Jupiter mcs ▪ and Finishing processes.
- Production planning of Warping, dyeing-sizing and finishing mcs in co ordination
- with PPC.
- Communication with other department like spinning , weaving and inspection for planning and quality feedback.
- To give yarn requirement for Warping and dyes and chemicals requirement for dyeing-sizing ▪ and Finishing.
- To take maximum work from subordinates and maximizing productivity /utilization of machines. ▪ To ensure shade consistency in dyeing.
- To develop and motivate subordinates for achieving departmental goals.
- To take corrective actions for continual improvement of productivity and quality. ▪ To make analysis of data regarding production, stoppages, damages, chemicals consumption, spares consumption etc. and to take necessary measures based on data analysias.
- Cost reducing measures based on data analysis.
- To give effective feedback to subordinate based on data analysis.
- Waste reduction measures.
- Inventory control measures.
- To adopt and implement process control techniques and measures.
- To represent the department in various managerial meetings.
- Man power planning.
- Monitoring of process control, quality control and continuous improvement of product. ▪ . . To handle IR and HR related departmental issues.

. I am internal auditor of various ISO systems :. ISO9001 , ISO 14001, ISO 50001, OHSAS18001.

Before Denim Processing I was in Arvind International as Manager Manufacturing. There I was section head of Sucker muller dyeing sizing machines and finishing machines (Dhall desizing and monforts machines.)

2) GARDEN SILK MILLS LTD., VARELI, SURAT May 1987 – September 1990

• DYEING SUPERVISOR

- To look after production & quality of polyester fabrics on Padding machines with different colours
- To look after washing off of prints on washing machines.

3) GUPTA DYEING & PRINTING MILLS, SURAT January 1987 – April 1987

• DYEING SUPERVISOR

To look after dyeing of Nylon & Polyester fabrics with different colours in various dyeing machines like jiggers, beam dyeing & jet dyeing machines.

I am always up to accepting challenges .I am highly motivated people's person with qualities of working as a team member and as a leader.

I am married and have two children.
