Objective

I know I'm not perfect but i know how to learn because i always trying to learn something new, different which increases my work ethic and accuracy so that I can utilise my efforts and knowledge to success of the organisation

Education

- **Government polytechnic Gonda**
Diploma in electrical engineering 2020
78%
- **Dr R M L K I COLLAGE KHADDA KUSHINAGAR-274802**
High school 2017
81%

Skills

- Team building
- Critical spare manegement
- Co-ordination & communication skills
- Optimistic
- Problem solving

Experience

- **Mechanical Workshop N E railway Gorakhpur Uttar Pradesh** 25 june 2019 - 25 July 2019
Summer training
 - Preventive maintenance for electrical machine
 - Observation of Ac And Dc motor
 - Importance of Work place safety

- **PPAP**

DET

Machine areas

- Injection molding machine (**MILCRON, TOYO AND JSW**)
- MTC and HRTC
- PVC welding Machine

Utility

- Air Compressor
- Chiller
- Root blower
- UPS
- EOT Crane

Others Areas

- Electrical Distribution Panel
- LT Panel
- Fire Hydrant System
- Smoke and fire detector System
- DG set (auto/manually) Operation
- Control panel wiring

Extrusion line

- Extruder
- Cool Through
- Main puller
- Plasma machine
- Laser printing machine
- Rough Cut Machine with Conveyor
- Hydraulic and pneumatic power press

Documental activite

- Shift planning
- Monthly Preventive maintenance planning
- MTTR and MTBF
- Breakdown analysis
- Shift handling
- Skills Matrix and Training Program

key points

- Basic knowledge of PLC and SCADA
- Installation and commissioning
- Good knowledge of Drive base system

Above all mentioned machine and equipment, I have Installation, operating, Preventive and some of service knowledge and drive base control system operation knowledge

Interests

- Learning of new technology

- Learning of new skills
- Traveling at new places
- Playing cricket

Languages

- Hindi
- English

Personal Details

- Marital Status : Single
- Nationality : Indian
- Current location : Viramgam Ahmedabad-Gujarat (382150)
