Dear Sir/Madam,

It was with great interest that I read in the e-mail for the position of **DY. Manager/ Manager EHS** in your esteemed organization. In response, I enclose my updated resume for your consideration.

Review of my credentials will confirm that I am capable of serving as the catalyst for achieving revenue objectives and organic growth through effective contributions. I possess **8 Years & 11 months** of experience as an "**EHS Professional**" in **Installation & Commissioning of equipments, Fabrication & erection of structures, in Cement Industry, Steel Industry, High Rise building construction, Water Management, T & D, GIS, Solar Power (PV & CSP), Refinery as well as in Process Plant (Auto-Mobile Industry).**

I am currently associated with **Graziano Trasmissioni India Pvt. Ltd. and Posted in Sanand (Ahmedabad) Plant as an "Assistant Manager- EHS"**. It is a Swiss MNC which deals in the manufacturing of Transaxles, Synchronizers, and Continuous Variable Transmission (CVT) etc. Our Valuable Clients are John Deere, Tesla, CNH (Case-New Holland), Ingersoll Rand (IR), L&T, JCB and Telcon etc.

I understand that working for your organization requires a candidate who is team oriented and is able to deal with people in various departments. I am confident that I possess these skills, which will help me to perform the job efficiently and effectively.

My goal is to transit my enthusiasm, creativity and experience into a position, where I continue to provide the strategic and tactical leadership critical to retaining valued customers of an organization. I am certain that my presence in your team will prove to be beneficial to your organization. As such, I would welcome an opportunity to speak with you to evaluate your needs and share my ideas.

Thanking you.

Sincerely,

NAFIS HAIDER
