

*Vishal K Suhagiya*  
Pharmaceutics, BIT Mesra

*Professional Experience*

*Skill Sets Acquired*

- ✓ Developing Oral Solid dosage form for US/EU/Canada/AU market.
- ✓ Handled Projects dealing with products used for Anti-epileptic agent (ER tablets), Sex Hormones (Ultra low dosage IR tablets), Thyroid Hormone (IR tablets), Psoriatic arthritis (IR tablets), Anticancer agents (Tablets/Capsules), Antihypertensive agents (IR tablets) etc.
- ✓ Expertise in Formulation Development of Oral Solid Dosage Forms (Tablets and Capsules) for US and other Regulated markets.

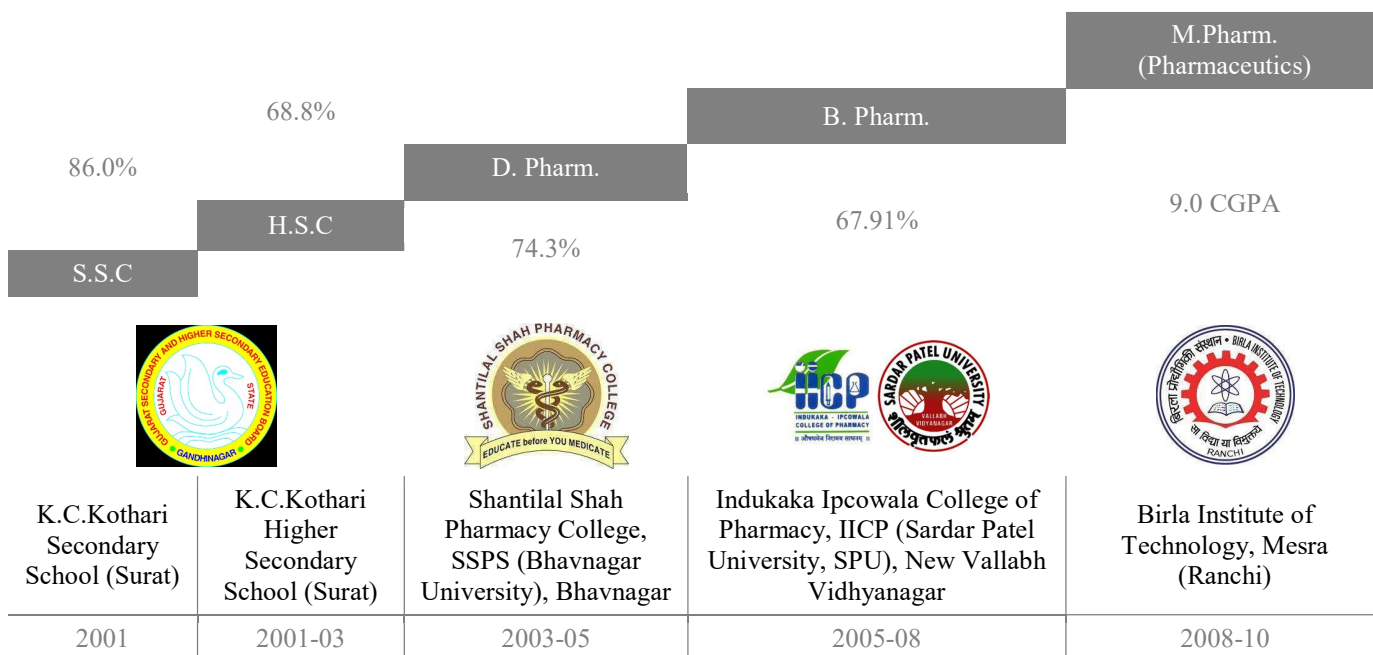

*Responsibilities shared*

- ✓ Literature and Patent Search of solid oral dosage forms for USA, Canada, Australia & Europe markets.
- ✓ Designing pre-formulation studies.
- ✓ Preparation of QbD elements in details for projects assigned.
- ✓ Conduct and evaluate the stability programs as per ICH guidelines supporting the product development process.
- ✓ Proper co-ordination with vendors and suppliers for desired quality excipients for timely execution of the Projects.
- ✓ Preparation of all technical documents like product development Report, Addendum for PDR for market extension, Master Formula card, Product Specification (IPS, FPS), Raw material specification, different study protocols and reports etc.
- ✓ Preparation, optimization and implementation of scale-up processes.
- ✓ Preparation of Documents related to Scale up and Exhibit Batches.
- ✓ Involving manufacturing of Scale up and Exhibit batches.
- ✓ Co-ordination between various departments like IPR, RA, ADL, Production, Packing, QA/QC, production for efficient timely execution of the projects
- ✓ Data compilation for regulatory agencies for query purpose.

### Technical Expertise:

- ✓ Design, Formulation & Development as per Quality by Design (QbD), Optimization, Scale-up and Technology transfer of manufacturing process for oral solid dosage form.
- ✓ Operating of all unit operation equipments for solid dosage forms including Tablet Compression Machines, Rapid Mixer Granulators, Roll compaction, GPCG, Double Cone Blender, Multimill, Tablet Coating Pans (Conventional Ganscoater), Co-mill, Fluid Bed Dryer, Retsch Dryer, Homogenizer, Colloidal mill etc.
- ✓ Experience in preparing all technical documents and technology transfer documents.
- ✓ Well acquainted with generic guidelines.
- ✓ Development of products by applying DOE (Design of Experiments).
- ✓ Clear understanding of Solid state characterization e.g. Flow & shear tests for powder characterization, XRD, DSC, SEM techniques etc and their applications.

### Academic Qualifications

### Academic Achievements

- ✓ All India Rank 302 with 98.87 Percentile in GATE-2008 (Pharmaceutical Sciences) conducted by IISc Bangalore.  
✓ All India Rank 306 in NIPER-JEE-2008 conducted by NIPER, S.A.S. Nagar.

### IT Exposure

- ✓ Proficient in windows operating system and its application software: MS Office (Word, Excel, Power point) and outlook
- ✓ Have basic handling knowledge of DOE software, LIMS,
- ✓ Have basic knowledge of computer hardware and software.

### Strengths

- ✓ Flexible quick learner and good listener.
- ✓ Self-confident and imaginative.
- ✓ Willingness to accept challenges which can encourage my skills and knowledge.
- ✓ Dedicated with Positive Mental Attitude as well as good Communication and interpersonal Skills.

### Personal Information

♂ Dec'84 born Indian Married Male, fluent in English, Hindi, Gujarati

 Q-602, Ganesh Genesis. Opp Krishna Heights. Godrej garden city road. Jagatpur Ahmedabad. 382470
