

## Resume

Name: Ambarish Gandhi

---

### Profile:

- ❑ 17 years of Experience in Purchase, stores in a chemical, oil industry, agro industry and steel industry with 8years in managerial role
- ❑ Worked in ERP /SAP MM Module
- ❑ Executive Masters in Business Administration (EMBA) with specialization in material management.

Organization that I have worked

1. Shah alloys ltd and sal steel Ltd
2. Gsp crop science pvt ltd
3. Ihshedu Agrochem pvt ltd jayant group
4. DCW limited

### Experience:

Shah alloys limited,Ahmedabad  
SAL Steel limited, Gandhidham  
Designation:Manager Purchase

[A steel industry in gujarat,manufacturing stainlessteel, mild steel structures, Sponge iron, Ferro alloys, Power plant](#)

**Time Period:December,2017 to November 2022.**

### Roles&Responsibilitiesa Shah Alloys limited and Sal Steel Limited

- Responsibility for the purchase, vendor management
- Various items for HOT ROLLING PLATE MILL, HOT ROLLING COIL MILL STECKLE MILL, Steel Melting Shop, 7 furnace, 2 AOD, billet caster, slab caster, reheating furnace, 14" round bar / section rolling mill, 16" rolling mill and 20" rolling mill for stainless steel flat, bright bar plant, wire rod. COLD ROLLING MILL, HRAP LINE, CRAP LINE , 2 NOS CRM MILL.
- Various types of items for SPONGE IRON PLANT 100TPD AND 500, POWER PLANT, FERRO CHROME PLANT, PELLET PLANT
- Procurement of Project /Capital items.

- Structural steel, angle, channel, beam, plated, roofing sheet - colour coated and cement sheets, cement.
- Spares for induction furnace I e. Sidhanio sheet, coil, copper conductor, solution, fibre tape, carbon free hose, r o water purifier system of 10m3/hr capacity, ro chemicals, hydraulic cylinder, vibrating cylinders.
- all type of coupling, gears, v belts, piping and fittings of mild steel, stainless steel, pvc, HDPE, upvc all type of rubber products in form of gasket, ring, seal
- All kind of hoses, hydraulic hose R1,R2,r3,R8,r13, chemical hose.
- N
- All type of fasteners in high tensile, large size. All ss304 fasteners.
- All types of welding rod specially alloy grade in kiln anchoring of ewac,esab,ador brand
- Rubber coveyor belts and wire mesh for vibro screen
- Structural steel, angle, channel, beam, flat, coil, plates, round bar.
- All types of industrial valves, new compressor and spares
- Engineering spares, consumables, different types of welding rods, Minimax items
- Developed new global vendors for bearing of rolling mills large sizes from manufacturers' DYZV, CIMM, ZWZ and Indian vendor NBC, ARB being manufacturer. For plate mill and steckle mill.
- Spares for 4hi hot rolling mill 12hicold rolling mill, heap line , crap line, slitting line.
- Various kind of welding products, all welding cutter, regulators, nozzle, hoses etc.
- Special welding straight head for slab cutting and scarfing torch and nozzle

Result in saving of around 1crore per year.

- Developed new vendor for packing material jumbo bag
- Inspection of the goods
- Releasing the payment
- Revamping of Rolling mill – project purchase / service work
- Work roll purchase for rolling mill
- Creating and releasing of purchase order
- Having knowledge of various sources for iron ore fines, coal Russian, rb2, rb3, Ferro manganese, iron ore pellets.
- Having knowledge of various sources for scrap mild steel, stainless steel in various grades with gaurantee terms on yield.

## **Name of the previous Organization**

Gsp crop science pvt ltd, Vadodara

Designation: Asst Manager (Purchase)

Responsibility for purchase and stores for three units.

A chemical industry in crop science, manufacturing pesticides chemicals

**Time Period: 4th December, 2015 to 20th december 2017**

**Where there projects of chemical plant established .**

**Leading a team of 20 person**

**Reporting to Sr. Mgr (project & maintenance)**

## **Roles & Responsibilities at Gsp crop science pvt ltd, Vadodara**

### **ENGINEERING PURCHASE**

- Responsibility for the project purchase, vendor management
- Purchase of reactors, ventures, all type of vaccum pump, all type of centrifugal pump, polypropylene pump, all type of mechanical seal.
- All type of teflon products, PTFE lined pipes, PTFE lined Fittings, sheets, gaskets.
- All type of bearings skf India and imported
- SS 304 and 316 grade pipe erw and fittings.
- Ss 304 and 316 grade valve, ball valve, gate valve, globe valve, butter fly valve.
- All type of electrical drives, Siemens, abb. Switch gear products siemens, various type of electric motors. DG set spares

Power cable of finolex and polycab, flame proof lightings and boxes.

Various types of storage tanks ss304, ss316, mild steel, ppfrp sprial tank.

All utility equipments dryer, chiller, air compressor and spares.

All type of laboratory chemicals

All types of safety products.

All wooden pallets and other wooden packing material.

- Procurement of Project /Capital items, Engineering spares, Electrical, Instrument items, consumables, Minimax etc and finalize Contracts for operation and maintenance in Chemical Industry.
- Spot purchases & maximum procurement at the most beneficial price

- Having exposure in Procurement procedures, Financial & commercial evaluation and preparation of the bids.
- Plan strategy for negotiation based on various parameters.
- Inventory planning & forecasting, streamlining the system and procedures for effective inventory control for ensuring ready availability of materials to meet the production /project targets
- Creating & Releasing of Purchase and service orders.
- Releasing payments
- Reduce the maintenance costing as per budget approved
- Leading a team of 20 persons.

## **RAW MATERIAL AND ENGINEERING STORES**

**volume handled : bulk and hazardous chemical for various plants with great safety**

1. chloro phenol plant.
2. **pendi** plant
3. hexa plant
4. difen plant
5. thyo plant
6. profino plant
7. plasticizers DAP DOP,  
AND
8. MEE PLANT

**Floor to floor issue the raw material In 2hours morning before 11am.**

- Taking goods receipt with excise details and prepare Service Entry sheet.
- Follow for replacement with supplier for rejected goods and also taking care of guarantee / Warranty term.
- Good issued posting, transfer posting, cancellation of material documents etc.,
- Taking physical inventory at regular intervals with sub-ordinates to ensure availability of the material in emergency and maintenance of the plant.
- Prepare Reports on Moved and Non-moved items to identify fast & slow moving items also reduce dead stock material.
- Physical verification of Raw Material on weekly basis
- Maintain register for chemicals as per statutory requirement

- Maintain safety standard for chemical stored at tanks and racks being hazardous.
- Maintain vehicles forklift and stackers
- Follow with QC department for approval for the material received
- Take GRN in SAP
- Invoice verification

**IhseduAgrochemPvt Ltd, Palanpur a jayant agro company**

Designation: Manager (Purchase)

Manufacturer & Exporter of Castor Oil and its products

**Time Period: 5th April, 2015 to 2nd December, 2015**

leading purchase and store function. Where the cost of RM, PM and Engg procured through me mention under(monthly).

RM Costing - 74 lacs

PM Costing - 40 lacs

Engg item Costing - 40 lacs

Leading a team of 4 person

Reporting to Directors

**Roles & Responsibilities at IhseduAgrochemPvt Ltd**

**PURCHASE**

- Responsibility for the purchase
- Procurement of raw material, process Chemical bleaching earth, hexane, activated carbon, decomol, phosphoric acid, caustic soda flaxes and other etp chemical.
- Packing materials like m s drums, intermediate bulk container, jumbo bags, wooden pallets, hdpe bags, air bags etc.
- Procurement of Engineering spares and equipments, Electrical, Instrument, consumables, Minimax items.
- Purchase of IBR valves, spared for decander Alfa Laval.
- Gear box spares
- Electric motors
- Filter clothes, structure steel, angle, channel, beam , pipe and m s fittings.
- Conveyor system

- All type of bearings and v belts. Roller chain and spares. Various types of welding rod
- Wire screen, coupling, pulleys
- Having exposure in Procurement procedures, Financial & commercial evaluation.
- Inventory planning & forecasting, streamlining the system and procedures.
- Creating of Purchase and service orders.

## **STORES**

- Taking goods receipt and prepare Service Entry sheet.
- Follow for replacement with supplier for rejected goods and also taking care of guarantee / Warranty term.
- Good issued posting, cancellation of material documents etc.,
- Taking physical inventory at regular intervals with sub-ordinates to ensure available of the material in emergency and maintenance of the plant.

In my career at [IhseduAgrochemPvt Ltd](#), I achieved following goals.

- Savings of Rs. 24 lacs on packing materials
- 17 lacs on consumables.
- Saving of Rs. 10 lacs on Engineering items
- Saving of Rs. 6 lacs on chemical items.

DCW Limited, Dhrangadhra, (Gujarat)

Designation: Sr. Executive (Materials)

[Chemical Industry: Soda Ash manufacturers](#)

**Time period: 1<sup>st</sup> July 2005 to 30<sup>th</sup> April 2015.**

Leading a team of 12 person. Where the cost of RM, PM and Engg procured through me mention under.(monthly)

RM Costing - 28.5 lacs

PM Costing - 27 lacs

Engg item Costing - 60 lacs

## **Roles & Responsibilities at DCW Limited**

### **PURCHASE**

- Responsibility for the purchase, vendor management
- Procurement of Project /Capital items, Chemicals, Engineering spares, Electrical, Instrument items, consumables, Minimax, Raw materials etc and finalize Contracts for operation and maintenance in Chemical Industry. Admin purchases such as Printing material, Stationeries, etc.
- Spot purchases & maximum procurement at the most beneficial price
- Having exposure in Procurement procedures, Financial & commercial evaluation and preparation of the bids.
- Contract Preparation & administration, close out of Contractual Issues.
- Plan strategy for negotiation based on various parameters.
- Inventory planning & forecasting, streamlining the system and procedures for effective inventory control for ensuring ready availability of materials to meet the production /project targets
- Creating & Releasing of Purchase and service orders.
- Leading a purchase team of 6 persons.

## **STORES**

- Taking goods receipt with excise details and prepare Service Entry sheet.
- Follow for replacement with supplier for rejected goods and also taking care of guarantee / Warranty term.
- Good issued posting, transfer posting, cancellation of material documents etc.,
- Taking physical inventory at regular intervals with sub-ordinates to ensure available of the material in emergency and maintenance of the plant.
- Prepare Reports on Moved and Non-moved items to identify fast & slow moving items also reduce dead stock material.
- Scrap material management

In my career at DCW Limited, I achieved following goals.

- Negotiation Average ratio to 12%
- Finalized Annual Rate Contract about 35-40% lesser than the existing prices. i.e. Rewinding of Motors, Insulation Work.

- Reduce prices of Rubber products mainly diaphragms and gasket rings by 60% by finding the new vendors.
- Reduction in L&T Switchgear products contract by 15%.
- Modevatable procurement for excisable goods in most of the material.

### **Education Qualification**

- ❑ Completed Executive Masters in Business Administration (EMBA) specialization in material management with A+ grade in May-2010.
- ❑ Completed Bachelor degree in Information Technology & Computer Application with 57% aggregate from M/s. Saurashtra University in April 2002.
- ❑ Completed H.S.C in Subject Science from Sir Ajitsinhji High School in G.S.E.B Board in March 1999.

### **PERSONAL INFORMATION**

Name	Gandhi AmbarishGhanshyambhai
Nationality	Indian.
Date of Birth	18 <sup>th</sup> June,1982.
Father's Name	Gandhi GhanshyambhaiShantilal
Father's Occupation	Retired.
Language Known	English, Hindi, and Gujarati.
