Profile

I am UI/UX Designer with a curios mind, I learn how to solve problems and meet new people. This is one of the reasons I invest my time to attending meetings where I can learn about everything design -related. As a user experience designer, i see it as a chance to grow my professionally and implement ideas while coming up with solutions . My approach to good is finding the right balance of user empathy, usability, aesthetic, a keen business acumen and a deep understanding of my users.
